## REGULATIONS GOVERNING THE USE OF TOWN TRAILS AND PENT ROADS

It is the policy of the Town of Dover that no person shall modify, upgrade, change the drainage on, or otherwise improve a town trail or pent road without first obtaining written permission from the Dover Board of Selectmen and having it recorded with the Town Clerk.

No person shall put up gates, bars or stiles, or otherwise obstruct a town trail or pent road, without first obtaining written permission from the Dover Board of Selectmen and having it recorded with the Town Clerk.

No building abutting, or requiring access by way of a town trail or pent road shall be erected without first obtaining written permission from the Dover Board of Selectmen and having it recorded with the Town Clerk.

No subdivision which will cause development of any kind, requiring access by way of a town trail or pent road, shall occur without first obtaining the written permission of the Board of Selectmen and having it recorded with the Town Clerk.

No access road shall enter upon a town trail or pent road without first obtaining written permission from the Dover Board of Selectmen, who may require that such access roads meet certain specifications to protect the safety of those using the town trail or pent roads.

Any person doing any building, any development or subdivision on a town trail or pent road may be required to bring that portion of the town trail or pent road being used by such building, development or subdivision, up to Town of Dover Road Specifications, if the Board deems necessary.

Those who are found to be in violation of these regulations will be notified by certified mail of their offense. If the violation is not corrected by the time specified, they shall be up to but not exceeding \$50.00 for each day that the offense occurs.

These regulations are adopted pursuant to Title 19, VSA, Chapter 3, Section 304.

Approved by the Dover Board of Selectmen on January 12<sup>th</sup> 1988
